## Our vision for City of Unley

Our **vision** is what we want City of Unley to be in the future.

We want City of Unley to be more **accessible**.

When something is accessible, everyone can use it.

We also want City of Unley to be more **inclusive**.

When something is inclusive, everyone can take part.

We want City of Unley to be a place where everyone can:

- reach their goals

- take part in the community

- feel supported.

## The laws that apply

We have a law in South Australia called the *Disability Inclusion Act 2018* (the Act).

The Act explains the rules that everyone must follow.

The Act also makes sure people with disability in South Australia are treated fairly.

The Act says we must have a Disability Access and Inclusion Plan.

We call it our Plan.

We also follow the *United Nations Convention on the Rights of Persons with Disabilities* (the UN Convention) in our Plan.

The UN Convention is an agreement between countries.

The UN Convention explains how people with disability should be treated fairly.
